The Heffer Case—A Prominent Man Stricken with Paralysis—An Excursion—Personal and General Notes of Interest.

WILLIAMSBURG, VA., May 23.—(Special.)—The trial of the damage suit of Heffer's Administrator against the Chesapeake and Ohio Company, which has been in progress all the week, was unfinished this evening, when Judge Gunter adjourned his court to Tuesday at 12 o'clock.

Major Hugh M. Waller, who lives about four miles from here, in York county, suffered last night about 11 o'clock a paralytic stroke. The paralysis extends through the entire right side, and he now lies in a semi-conscious state and unable to articulate distinctly. Major Waller has for a number of years been a prominent citizen of this vicinity, and has occupied various positions of trust. He was a fearless Confederate soldier, and went through the war from Bethel to Appomattox.

A. P. V. A. EXCURSION.—An excursion from Norfolk to Hampton, for the benefit of the Association for the Preservation of Virginia Antiquities, arrived here this morning. The visitors spent the day sightseeing. A handsome lunch was served by the ladies of the association at the old powder magazine, which was tastefully decorated on the interior for the occasion.

SENSATION EXPLODED.

Shipments That Scared the Spanish Consul at Norfolk.

NEWPORT NEWS, VA., May 23.—(Special.)—The sensational flubbing story, which originated in Norfolk several days ago, seems to have blown over almost as mysteriously and quickly as it was given to the public in the first place. It was stated that large quantities of arms were being shipped to Norfolk via Newport News from Belgium, and that large consignments of explosives were being made to this city from points in Ohio. From what your correspondent could learn last night and this morning, there is very little in either of these rather broad statements. The only thing that has been every London steamship arriving at this port has brought over cases of arms, originally from Belgium, and consigned to the Simmons Hardware Company, at St. Louis, and these have been forwarded to their destination over the Chesapeake and Ohio railway. Spanish Consul Humphreys heard of the shipments several months ago, and came over from Norfolk to make inquiries concerning them at the custom-house. He was informed by the authorities that he had very little to fear from the arms that were being shipped to this port from the place via London, since they were no more than fibrous rifles of 22- and 32-calibre.

FEAR OF EXPLOSIVES.

The Consul also heard that large shipments of glass were being made to this port, and somehow got it into his head that the glass was being used in war instruments of various kinds. His mind was set at rest on this point by being informed that the glass was consigned to a St. Louis firm, to be used in photographic instruments. Of the arrival of cases of explosives from Ohio, the Chesapeake and Ohio officials knew nothing whatever when your correspondent interviewed several of them, and they further stated that they had not heard anything of that kind having been forwarded to this city over their road. The Chesapeake and Ohio steamship Chickahominy arrived here from London in the early part of the week, and perhaps the fact that she brought upwards of seventy cases of arms, gave the Spanish Consul new grounds for apprehension. The arms are now on Pier 4, and will be forwarded to the Simmons company, at St. Louis, through Wilfred, Schade & Co.

THE HOWARD CASSARD.

The little cigar-shaped steamer Howard Cassard, which was recently libeled for seamen's wages, is still lying at the shipyard.

Mr. L. M. C. Hudson, aged 63 years, died yesterday afternoon shortly before 5 o'clock, at the residence of his son, after being confined to his bed for the past nine days with chronic Bright's disease. He left two sons and five daughters, among them being Mrs. L. A. Beville and Mr. Samuel Hudson, both of this city. The remains were forwarded this morning for interment to the former home of the deceased, in Prince Edward county. Mr. Hudson came to this city three months ago to reside with his children.

Mr. S. C. Dickinson's large circle of friends in this city were glad to learn this morning of his acquittal in the United States court, at Norfolk, on the charge of robbing the post office at Roxbury, Charles City county, of \$32,4 which had been forwarded to that point in a registered letter. The case was tried twice at Richmond, and there was a hung jury each time. Mr. Dickinson was on Twenty-eighth street, in this city, with his wife, and is employed at the shipyard.

Mr. J. B. Lake, of Hampton, has secured the right-of-way from all but one of the property-owners between this city and Hampton, for the purpose of connecting the two places by a fine road or boulevard. About 700 has been raised in Hampton to build this road, and the people of Newport News will contribute a sufficient sum, it is more than probable that work on the road will be commenced in the early future. The route has already been surveyed.

A well-attended meeting was held at the opera-house to-night, under the auspices of the City Democratic Executive Committee, for the purpose of ratifying the nominations made at last Saturday's primary.

Death of a Beloved Young Lady.—SMITHVILLE, CHARLOTTE COUNTY, VA., May 23.—(Special.)—This community was greatly shocked to learn that on yesterday Mr. R. W. Jones, one of our most prominent citizens, had received a telegram stating that his daughter, Miss Virginia A. Jones, was in a dying condition at Lynchburg, Va.

She was a young lady of about 21 years of age, of rare personal charms and attractions, who, by her social qualities, had endeared herself to a host of friends.

Orders for printing sent to the Dispatch Company will be given prompt attention, and the style of work and prices will be sure to please you.
